

## ***Environmental Management System***

### ***Policy Statement (EMS01)***

*Greens Power Limited are totally committed to delivering safe, high quality products and services that satisfy both our Customer requirements, our applicable legal and other requirements and those of other interested parties, whilst preventing pollution and protecting, improving the environment and striving to maintain a workshop that has no "significant" environmental aspects after controls are implemented.*

***Our environmental protection objectives are:***

- *To comply with all legislative requirements.*
- *To establish, document, implement, maintain and continually improve the environmental management system (EMS) in accordance with the international standard.*
- *To keep and maintain an adequate documented system that provides a framework for setting and reviewing objectives and targets.*
- *To ensure and work in accordance with best practice in relation to the protection of the environment.*
- *To be a good, environmentally conscious neighbour to our employees, customers and the public.*
