HEALTH & SAFETY POLICY STATEMENT

Green's Power Ltd recognises and accepts its responsibilities as an employer for providing a safe and healthy workplace and working environment for all its employees and visitors and is committed to eliminating hazards and reducing risks.

The Directors of the company have the overall responsibility for the compliance and administration of the Health & Safety Management System and lead by example by showing total commitment to the continual improvement of the Health & Safety Management System. The Company recognises that the effectiveness of this policy depends upon the participation, consultation and co-operation of all workers and the workers representatives.

The Company is totally committed to complying with the requirements of **ISO45001:2018 Health and Safety Management System** (and all associated legislation, codes of practice and other requirements).

This policy provides the framework for setting and reviewing occupational health & safety objectives and targets and these are designed to prevent, so far as is reasonably practicable, injuries and illnesses resulting from work activities and to control situations that are likely to cause damage, disease or injury.

Green's Power Ltd. shall ensure the Health and Safety of all concerned through: -

- A safe and healthy working environment.
- Safe and healthy premises with adequate facilities.
- Safe access to and from the workplace
- Provision and maintenance of safe machinery and equipment.
- Safe working practices.
- Appropriate staff training and instruction to enable all employees to avoid hazards and contribute positively to their own safety and health at work. This includes reminding employees of their own duties under Section 7 of the Health & Safety Act to take care of their own safety and that of other employees and to co-operate with management so as to enable it to carry out its own responsibilities successfully.
- Management responsibility and accountability for the Health and Safety of employees including adequate supervision by competent personnel.

Compliance with, but not limited to all current relative H&S legislation; including the Management of Health & Safety at Work Regulations; Manual Handling Operations Regulations; Display Screen Equipment Regulations; Workplace (Health, Safety and Welfare) Regulations; Provision and Use of Work Equipment Regulations; Personal Protective Equipment Regulations, Lifting Operations and Lifting Equipment Regulations, CDM Regulations and all applicable driving and vehicle management regulations.
